

**Saratoga Triathlon Club
Meeting Minutes
Monday, August 10, 2009
6:00 pm at Saratoga High School**

Special Olympics Presentation: The club presented a check for \$805 from our silent auction/raffle held in May at the Fortunate cup. We also took pictures of the presentation.

Meeting minutes: Jennifer took the minute from the previous meeting. Karen made a motion to approve the minutes. Jason 2nd the motion. The minutes were approved unanimously.

Treasurer's Report: The current club balance is \$3391.42. Jason will email Jennifer the invoice for the 2nd apparel order. There is also a \$20 deposit which was from petty cash used during the raffle/auction.

Thank You's: Jennifer and Jodi sent out thank you letters for donators/sponsors from the silent auction/raffle. They will also send one to Joey Adams and Musselman for their donations even though they were not purchased.

Weekly Workouts: Swimming workouts are going very well at Lake Desolation. Large crowds of members and non-members present.

Website Update: A weather ticker for Lake D has been added and Ryan is back in action. Tri-Club now has a twitter account also.

Club Giveaway item of this year: Jason is looking into purchasing hats as this year's giveaway. Looking into Headsweats and Sweatvac. Headsweats has a set up fee and is a bit more expensive. Most club members would prefer Headsweats however. We could order 50 extras and sell them at the expo and races next season. Jason has a goal of having the hats ready to give away at the fall party.

Sponsorship Committee: Oct/Nov. is usually a good time to gather sponsorship from businesses. We will look to local and larger companies this year. Also looking into our bike shop sponsorship. Randy will be in

contact with Blue Sky. If not we may even look online at bike shops. Randy and Jason will be helping to work on this committee.

Fall Party: Held the Sunday after the Lake George triathlon. To be held at Kristy and Jason's house. Jason will send out an Evite about the party with time etc.

New Officers: Randy Swift is now Vice President. Jay Jansen is a Board Member. Matt McMorris is also another Board Member. Karen made a motion to approve. Jason 2nd the motion. The motion was approved unanimously.

Lake Placid Ironman: Several members from the club competed while several members cheered them on. It was a great club representation. Next year we plan on having 2 tents which the club would like to look into purchasing. Currently we borrow club members Chip Lund's tent.

Next Meeting: Monday, September 14th, 2009. 6:00 pm at the Fortunate Cup.

Following the August meeting the Transition Clinic was held hosted by Jason.
